

GASTROSCOPY INSTRUCTIONS

Please advise your doctor if you are taking:

- Aspirin (ASA) or medications containing ASA
- Blood thinners such as Coumadin (warfarin)
- Iron pills or anything containing Iron
- Ticlid (Ticlodipine) or Plavix (Clopidogrel)
- Diabetic medications

NOTHING to eat or drink after **midnight** (the only exception is your colonoscopy PREP if you are also having a colonoscopy)

If you are a **DIABETIC** and you have an afternoon appointment, you may have a glass of clear juice before 6am the morning of your procedure.

ALL PATIENTS WILL REQUIRE A RIDE HOME AFTER THE PROCEDURE.

**3 BUSINESS DAY CANCELLATION NOTICE REQUIRED,
OTHERWISE A \$150 CANCELLATION FEE APPLIES**
